Dear Mr. Weisberg:

Thank you for your letter of December 30 and for the kind remarks regarding our VIETNAM HINDSIGHT program.

Enclosed are scripts of both Parts I and II of the documentary which I hope you'll find helpful. The only credit we require if you quote from this source, would be the title of the program and Mr. Freed as both the Producer and Writer.

Good luck in your work and many thanks for writing to us.

Sincerely,

Barbara Spence
